

# COVID-19

## PORTFOLIO

Since the COVID-19 outbreak in China in early 2020, IDA has been actively working on the sourcing of COVID-19 response products, anticipating upcoming global healthcare challenges, especially in low-and middle-income countries.

Our current focus is on Personal Protective Equipment (PPE) products to ensure people, especially healthcare workers, are protected while doing their work. Regarding (future) treatments for COVID-19 we follow WHO recommendations and guidelines.

### PRODUCTS FOR COVID-19 RESPONSE
