

REVOLUTIONISING NCD PROCUREMENT

NCDconnect is an innovative, **disease-focused procurement platform** tailored for governments and health organisations in **low-and middle-income countries (LMICs)**.

With customised, **tailored catalogues** and self-management tools, NCDconnect makes **high-quality** non-communicable disease (NCD) medicines, medical supplies and diagnostics accessible to all.

Reach out to us at ncd@idafoundation.org for more information or a demo!
